Minutes of November 12, 2019 meeting were corrected (Beth's title) and accepted for posting on the church website.

Brock led a review of the Congregation Communication Plan. As planned, the website was updated, Contact announcements are appearing to remind Members that Transition information is on the website, Ward presented to the congregation at both services on Sunday Dec. 8 with a summary of the transition timeline, how to access the Transition page on the website and what's in store in the next 8 months. After the first service, no one approached Ward or Jim R. with questions. One Member couple voiced appreciation for the presentation.

The next congregation presentation will be in late January or early February announcing the members of the Interim Minister Search Committee. President Dale Anderson will make that announcement.

Beth reported that she has talked with Keith Kron (UUA Transition office) about preaching in April. He indicated that April 26 was a possibility. She'll stay in touch with him.

Ward reported that the Stewardship Committee met the previous day to brainstorm Stewardship themes that would connect with transition. The theme the committee is developing is "20/20 Vision – I can see clearly now." Roger said he can work with that on Stewardship Sunday, Feb. 23.

The next meeting is Tuesday, Jan 21 at 10 a.m. in the Library. The Board will meet that evening. The agenda will include appointing the Interim Search Committee.
